

TAKE PRIDE CHICAGO! BE A SPONSOR OF CHICAGO K9s FOR COPS PUBLIC ART INITIATIVE!

Sponsorship opportunities are available for the Chicago Police Memorial Foundation's 2017 public art installation campaign.

As with the much-loved Horses of Honor initiative, the K9s for Cops public art campaign serves to memorialize Chicago's heroic fallen officers while supporting the families of police officers killed or catastrophically injured in the line of duty. A portion of the proceeds will also benefit PAWS Chicago's work to provide residents in underserved communities with free spay/neuter services and medical care for their pets.

Currently, 65 canines help officers protect Chicago every day. In Chicago, canine team duties include conducting building searches for hidden offenders, locating missing persons, tracking suspects, detecting narcotics or explosives, and conducting public service canine demonstrations.
