## NOTE

The Pet Food Bank and Crisis Care Programs were developed to help pet owners during the recent economic downturn. Both of these programs enable cats and dogs to stay with their owners and not enter the sheltering system. The Feral Cat Sponsorship Program is critical to making Chicago a No Kill City by proactively spaying and neutering and managing the feral cat colonies in our community.

## \*EUTHANASIA POLICY

Every homeless pet at PAWS Chicago is treated with complete medical care and is guaranteed life. Euthanasia is reserved only for those dogs who are vicious and pose a threat to the public or those cats and dogs who are irremediably suffering, in which medical treatment cannot alleviate their condition.

## TRANSPARENCY STATEMENT

In support of our No Kill model of sheltering, PAWS Chicago believes in 100% transparency of all shelter data which accounts for every animal that has come into the shelter. This data report publically states the outcome of every healthy, treatable, unhealthy and untreatable animal that came through our doors in 2010.
