## ABOUT PAWS CHICAGO

PAWS Chicago is dedicated to building No Kill communities—starting with a No Kill Chicago—where all healthy and treatable pets are saved. PAWS uses the power of community engagement to fuel its lifesaving efforts and the programs that support its No Kill mission:

### PREVENTION

The main tools for reducing the birth of unwanted animals are spay/neuter programs and community outreach.

### ADOPTIONS

PAWS finds new, loving homes for animals through our two adoption centers as well as numerous off-site events.

### ANIMAL HEALTH AND BEHAVIOR

Our No Kill commitment means that we give every pet the medical treatment, rehabilitation, training and socialization needed to prepare them for adoption.

### VOLUNTEERS

Volunteers are the life force behind every aspect of our efforts. Without this impassioned labor force, PAWS Chicago would not be possible.
