* PAWS Chicago standard adoption requirements apply at this event and all family members must be present to adopt.

ADOPTION PROCESS:

1. Fill out an Adoption Application

If you did not bring a printed copy of your adoption application, please see a Location Manager in a grey apron to fill out an adoption application first and foremost. A hard copy of the application is required at this event! We will not have the ability to print applications on-site.

2. Meet your Match

Once you have found an animal to adopt, please see the Location Manager to review your adoption application.

3. Adoption process

After your application has been reviewed, you will be directed to the Adoption Desk to complete the adoption process.

4. Heading Home

Once you have completed the adoption process, your new pet will receive a red "PAWS Alumni" bandana and we will take your first family photo!
