

CREATE YOUR OWN FUNDRAISER

From lemonade stands to fundraising parties, you can host a fundraiser for PAWS Chicago no matter what your age. Your fundraisers play an important role in the philanthropic efforts at PAWS Chicago.

We truly appreciate your interest in helping to raise awareness about our life-saving work. We ask that you please keep our mission and reputation in mind by adhering to the following guidelines during the planning and execution of your fundraiser.

PROMOTION

The individual or business hosting the fundraiser/event is responsible for its organization and execution, including the payment for and obtainment of all permits, licenses and any insurance or liability coverage.

DONATIONS

The net amount or percentage that will be donated to PAWS Chicago should be clearly stated on promotional materials. If PAWS Chicago is not the recipient of all event proceeds, please indicate on promotional materials the exact percentage or dollar amount that benefits PAWS Chicago.

All donation solicitations, including those from corporations, for gifts of \$5,000 or more must be cleared by PAWS Chicago before they are made.

Checks from fundraising proceeds should be made payable to PAWS Chicago and mailed directly to the address below within 30 days of the date of the event. Call **773-475-3305** with any questions.

BRANDING

All fundraising-related publicity in which PAWS Chicago's name and/or logo is used must be approved by PAWS Chicago before public distribution.

When referring to the organization in print or media, the name "PAWS Chicago" must be used, never just "PAWS."

For legal purposes, PAWS Chicago's name may only be included in the fundraising title as the beneficiary of the event. For example, your event may not be titled "PAWS Chicago's Comedy Show," but rather it should be promoted as **"Comedy Show to benefit PAWS Chicago."**
