

Foster Report for Dogs & Puppies

Welcome!

Thank you for fostering with PAWS Chicago! Thanks to your support, you have not only saved the life of your foster, but also that of another dog who we are able to take into our program.

Please take a few minutes to complete this report about your foster dog so we can learn more about him/her. This information will be used to help us find the perfect family for your foster.

The Basics		
Foster Pet Name		
Breed	Sex	
Dates of Foster Period		

About Your Foster

Describe your foster's personality. Include as much detail as possible! (Examples, likes/dislikes, favorite games, firsts, things that made you laugh, unique traits, what you'll miss most, etc.)

Yes No	0		
If yes, how did he/s	he escape ?		
Did your foster have along?	e an animal companion while	in your home? I	f yes, what kind of animal and how well did they get

Socialization Checklist

Help us get to know how your foster responds to various stimuli. For each category below, rate your foster pet based on his/her reactions using the following numbers. Please note, if there is over-arousal behavior with your foster dog, please contact the PAWS Chicago foster team.

Score:

- 1: Over-Arousal: Growl, nip, bark, scratch, lunge or struggle
- 2: Avoid: Struggle, hide, try to escape, won't approach or hesitant to approach
- 3: Freeze: Holds still, non-exploratory, moving slowly or acting sleepy when they shouldn't be tired
- 4: Calm/Relaxed: Explores the object or environment, playful
- 0: N/A or unknown response
