

## 2024-2025 Professional Board Application

Make a difference for homeless pets and our community by joining the PAWS Chicago Professional Board! Tasked with raising awareness and funds for PAWS Chicago's lifesaving work, Professional Board Members are ambassadors for pets that are most in-need in our city and beyond. The PAWS Professional Board is an integral part of PAWS Chicago, hosting notable fundraisers, such as the Animal Magnetism spring social event and the 5K Walk/Run For Their Lives in the fall. The Board consists of young professionals and community leaders who share an interest in helping amplify PAWS's mission among their networks.

**Updated 3.26.24** Members joining after this date will be grandfathered into our 2024-2025 season. This means that they will become members immediately upon acceptance of this application but will not be held to their requirements until the start of the 2024-2025 season on August 1, 2024. However, new members MAY start working on their requirements now (such as fundraising for their give/get, attending New Volunteer Orientation and Fundraising Workshop, and Volunteering).

Members are accepted on a rolling basis year-round. For more information, please email staff liaison Carrie Cihasky at [professionalboard@pawschicago.org](mailto:professionalboard@pawschicago.org)
