## PAWS Chicago North Shore Grand Opening

Four-legged friends and their owners came from all over the area to celebrate the official opening of the PAWS Chicago North Shore Adoption Center within Petco Highland Park. Local supporters toured the donated dog suites and playrooms, as Paula Fasseas, PAWS Chicago founder, welcomed the crowd. The PAWS Chicago North Shore Adoption center will be a place for homeless canine and feline guests to be nurtured and housed as they await loving owners.
