The 70-pound, 1-year-old hound Weedle is ready to share some love. Photo provided by Alena Nicholson

Weedle is top dog**PAWS CHICAGO**

Weedle is a leader. The 1-year-old hound is a very friendly dog who has quickly become a volunteer favorite at PAWS Chicago. Her favorite things include sticks, rope toys, car rides and tennis balls.

Weedle's not a fan of sharing, whether it's food or toys, and would do best in an adults-only home where she can be the only pet. She's seeking an experienced owner who is able to continue her training and keep her active.

As a benefit of her adoption, you will receive a year of free Merrick Pet Care dog food, free wellness care at PAWS Chicago Medical Center and a free private training and evaluation session at PAWS Chicago's Training Center. For information, visit pawschicago.org or call 773-935-PAWS.
